

Strathcona Credit Union

Business Plan

Mission

The Strathcona Credit Union is a cooperative institution. Our membership includes employees of English Educational Institutions and English Hospitals of the Province of Québec. Our goal is to offer all the financial services that our members require, at the lowest possible cost.

Vision

The Strathcona Credit Union intends to accomplish its mission through the dynamic involvement of the Board of Directors and the management. Our personnel is our most important resource in reaching out to our current and potential members, and in educating them to the values and advantages of the cooperative movement. By communicating with and servicing our members well, and by strengthening our ties to our milieu, we expect to answer the needs of our membership. In order to accomplish this, the Credit Union will offer the best quality / price ratio in terms of products and services. Furthermore, the Credit Union will endeavour to maintain and enhance the level of English services provided to our members.
